

Boy's Team Newsletter

October/November 2011

IMPORTANT INFORMATION NEEDED FROM YOU!!

Fill out the emergency medical information in your child's mailbox and turn it into Kim immediately. We need these emergency forms with the coach at every competition in order for your son to compete.

USAG boy's also need to fill out the USAG form in your mailbox and return to Kim.

Halloween Party!!

We will have the party at the end of practice on the below listed dates. Have athlete wear their workout cloths to class, but bring in their costume for the end of the night.

Coaches will give the boys 5 minutes towards the 15 minutes of practice to put on their costumes, please no messy make up or fake blood. Be Creative! And not-too-scary. The coaches are a little chicken! If you would like to bring in a treat (candy, apples, pencils, glow bracelets), I have listed the number of boys below.

Level 4: Friday, October 28th - 12 boys

Level 5: Saturday, October 29th - 9 boys Level 6-7: Saturday, October 29th—9 boys

✓ ATTENDANCE ✓

We are very concerned about the amount of absences from the boys on team. They are in a crucial phase in their skill development. Most of the athletes are grasping the drills we have been working on and are gaining and improving skills. However, the boys who come inconsistently to class are falling behind.

As always, family, school, and religion are valid excuses for missing an occasional class. We also understand that emergencies can happen. Thank you to those parents who are calling or notifying us in some way when their child will be missing class. If you do not let us know and your child misses class, I will be calling at the end of the night.
